

**Congress of the United States**  
**Washington, DC 20515**

March 1, 2017

The Honorable Rex W. Tillerson  
United States Secretary of State  
United States Department of State  
2201 C Street, Northwest  
Washington, D.C. 20520

Dear Secretary Tillerson:

Congratulations on your recent confirmation and swearing in as the 69th United States Secretary of State. We look forward to a productive working relationship in the 115th Congress. We write to you today, regarding the Joint Comprehensive Plan of Action (JCPOA), otherwise known as the Iran Nuclear Deal.

Due to our serious and ongoing concerns with the JCPOA, we respectfully request answers to the following questions:

- Have you learned of any agreements or "side deals" related to the JCPOA that have not yet been disclosed to Congress? If so, what are they?
- Have you learned of any statements to Congress or the American public by the last Administration regarding the JCPOA that were affirmatively false or misleading? If so, what are they?
- Have you learned of any agreements between the United States and Iran that were made after the JCPOA was announced that have not been disclosed to Congress or the American people? If so, what are they?
- Have you learned of any violations of the JCPOA by Iran that have not been disclosed to Congress or the American people? If so, what are they?

We deeply appreciate your attention to these questions, and for your service to our country in your new leadership role.

Sincerely,

Lee Zeldin
